# Palisades School District PowerSchool Parent Registration Guide

Create a Parent Account

To access the PowerSchool parent portal please proceed with the instructions below to create your own account and to add your students to that account using the access ID and access password provided to you for each student by the district. This access id and access password is not the same as your child's student ID and student password.
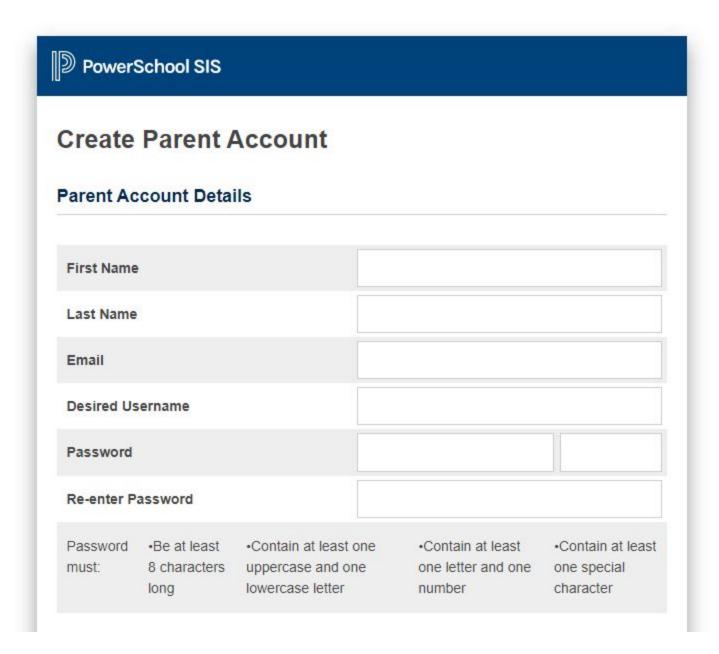

How to Create a Parent Account

1. In a web browser (Chrome, Firefox, Internet Explorer, Edge, Safari) go to the website https://palisades.cliu.org.
2. Click on the "Create Account" tab and then click the "Create Account" button.

3. Fill in the "Parent Account Details" section with your information.

5. Click the "Enter" button when you're finished and you will be taken back to the Student and Parent Sign In page where you can sign in with your newly created account.

Optionally, you can install the PowerSchool Mobile App that's available for both iPhone and Android. You will have needed to create a parent portal account through a web browser as per the above instructions prior to accessing the app. The app will require a four digit code when you first open it. That code is HKZK. Below are the links for the iPhone and Android apps.
